Brand Features

Renu in a snap! Renu is the smart new line of decorative electrical products from Leviton. Install Renu and get a fresh stylish look, plus the ability to change the color of any Renu device when you update a room. The line includes switches, outlets, GFCIs, dimmers, and sleek, screwless wallplates available in 20 designer colors. The Renu color change kit RK634 makes it a snap to change the color of Renu combination switches, without rewiring or needing an electrician. Just order a kit in the color of your choice and follow the simple directions to replace the existing face with a new hue. Snap on a wallplate (sold separately), and you're done.
