Installation Ease
Bases include tie-wrap anchor points at all cable entrances

ISB6OW (loaded)

Hubbell's Surface Mount Boxes are designed to facilitate today's most demanding workstation outlet needs. Hubbell's ISB4 and ISB6 Series are medium capacity surface boxes that accommodate a wide range of data, audio, video, and fiber connectivity.

The surface mount boxes are ideal for open office, compact surface mount environments, and retrofits to support data, voice, and multimedia applications. All surface mount boxes can be mounted with supplied surface mounting screws or double-sided adhesive tape.

APPLICATIONS

- Open office environments
- Compact surface mount environments
- Retrofits to support data, voice, and multimedia applications
