POLYTRAK® Raceway Compatibility Chart

Series	PP	PB
ISB1	▲	▲*
ISB2	▲	▲*

Use PB3REDA transition fitting.

STANDARDS

- UL and cUL listed
- ANSI/TIA/EIA-606A compliant

Safety
Tamper resistant screw located behind the faceplate label field

ISB2OW (loaded)

ISB1OW (loaded)

Flexibility
Easy cover latches allow for simple moves, adds and changes
Installation Ease
Bases include tie-wrap anchor points at all cable entrances

Hubbell's Surface Mount Boxes are designed to facilitate today's most demanding workstation outlet needs. The ISB1 and ISB2 are single and 2-port versions allowing for a wide variety of Hubbell data, audio/video and fiber connectivity.

The surface mount boxes are ideal for open office, compact surface mount environments, and retrofits to support data, voice, and multimedia applications. All surface mount boxes can be mounted with supplied surface mounting screws or double-sided adhesive tape.

APPLICATIONS

- Open office environments
- Compact surface mount environments
- Retrofits to support data, voice, and multimedia applications
