EP50 OxyMixx Dispenser

This is your one product/one dispenser complete cleaning disinfecting solution!
Depending on the dilution rate (already pre-set in the system), you can create multiple products, for various applications, out of a 4L EP50 Cleaner Disinfectant. The EP50 OxyMixx System is an easy and economical way to dilute EP50 at the push of a button.

Benefits:

- One product does it all
- SKU reduction; no inventory carrying costs
- Requires minimal wall space
- Cost effective system
- Easy to use…simply connect to your water source
- Pre-installed metering tips
- Minimal training required
- Select knob easily identifies desired application to avoid errors
- Regulatory compliance - CSA approved

Application	Dilution	
Multi-Purpose Cleaner	1:38
