

QUIK-LOK™

ATTACHMENT SYSTEM

Multiple Attachments Powered
By a Single Power Head

Designed to meet the needs of landscape maintenance professionals, the QUIK-LOK™ Attachment System is a versatile outdoor power equipment system featuring multiple attachments powered by a single M18 FUEL™ Power Head. With the QUIK-LOK™ Attachment System, you have the capability to switch between multiple attachments including a string trimmer, edger, hedge trimmer and pole saw to complete a wide range of applications.

Powered by M18 FUEL™, the QUIK-LOK™ Attachment System utilizes the most advanced cordless technology to deliver best-in-class power and run-time for landscaping and trade professionals, achieving instantaneous throttle response and outperforming higher voltage platforms.
