

#STCi / STCi2D

Sure Knit®

Nylon Filament Tire-Core String Knit Glove

#STCi

#STCi2D

Many times longer-wearing than our regular 7-gauge nylon gloves, these SureKnit™ gloves are reinforced with Tire-core. They scored an ASTM cut level of 1 (387 CPPT). The Taber test for abrasion resulted in a score of 230 cycles before the gloves wore through. The nylon fiber does not soak up water, oil or other liquids, which also makes them an excellent choice for fishermen.
