7-Gauge Economy Cotton/Polyester Gloves

#SQD

Sure Grip® 7-gauge string knit gloves are great for general-purpose applications, like parts handling, general maintenance and food processing. These ones are an economy version, weighing 50 grams per pair, meaning they stand up well in general applications. The cotton/poly blend is cool, comfortable and launders extremely well. Over 500 dots are cured to the surface of these gloves, giving our Sure Grip® gloves outstanding abrasion resistance and greatly increased grip on wet or dry surfaces.

CFIA approved for food handling.
