

Twin-Cartridge Respirator **Accessories**

Carrying Pouch

Belt-mounted carrying pouch with Velcro closures.

CARRYING POUCH	468730	Carrying pouch for Comfo half-mask respirators
	817040	Carrying pouch for Comfo full facepiece respirators

Nosecup to Reduce Fogging

Molded from a soft rubber compound that is resistant to facial oils, the optional nosecup helps reduce the possibility of lens fogging. The nosecup is particularly effective under conditions of high humidity and/or low temperatures by inhibiting contact of moist exhalation with the facepiece lens. A nosecup can be easily affixed to the facepiece without tools, and any size nosecup may be installed in any size MSA facepiece, resulting in a customized facepiece for more comfortable use.

NOSECUP	813138	Ultravue/Ultra-Twin, black, small
	813139	Ultravue/Ultra-Twin, black, medium
	813140	Ultravue/Ultra-Twin, black, large

MSA Confidence Plus® Germicidal Cleaner

Mix with warm water for a germicidal cleaner that is effective against various micro-organisms including immunodeficiency virus Type 1 (HIV-1, associated with AIDS). EPA-approved for use on safety equipment.

CONFIDENCE PLUS CLEANER	10009971	MSA Confidence Plus Germicidal Cleaner, 32 oz bottle

Personal Safety Equipment Towelettes

Provides an excellent method for wiping and refreshing respirators, hard hats and other safety equipment between full cleaning periods.

TOWELETTES	697382	Canister with 220 towelettes
	697383	Box of 100 individually wrapped towelettes

Cover Lens for Full Facepiece Respirators

Lens covers protect the facepiece lens from scratches during storage, handling and use. The self-adhesive covers can be easily installed and removed when necessary. Tinted versions are intended for applications in direct sunlight.

COVER LENS	491500	Cover lens for Ultra Elite, clear, 25/pkg
	805456	Cover lens for Ultra Elite, smoke tint, 25/pkg
	456975	Cover lens for Ultravue, clear, 25/pkg
	480326	Cover lens for Ultravue, smoke tint, 25/pkg

Spectacle Kits for Full Facepiece Respirators

For use by workers who must wear corrective lenses, the Spectacle Kit can be easily inserted into the facepiece. The kit includes a wire support, rubber guide and pair of metal-frame spectacles. Desired adjustment is obtained by moving the spectacles in and out of the rubber guide and up and down the wire support. One size of spectacle frame is used (S-7 shape, 44-mm lens size) with Universal Bridge Corrective Lenses that can be obtained from local sources. The Spectacle Kit can be used in conjunction with a nosecup. There are two kits for the Ultra Elite facepiece; one uses a side wire support to hold the lenses in the facepiece while the other uses a center support to position the unit (spectacle adjustments are similar).

SPECTACLE KITS	804638	Ultra Elite Spectacle Kit (side wire support)
	493581	Ultra Elite Spectacle Kit (center support)
	454819	Ultravue/Ultra-Twin Facepiece Spectacle Kit

Welder's Adapter

For eye protection in welding applications where respiratory protection is required, a welder's adapter can be installed easily over an Ultravue Facepiece lens. The clip-on style adapter can be easily removed as necessary, whereas the integral adapter model is used in place of the facepiece lens. Both models are made of polycarbonate and feature a flip-up lens with large 4 1/2" x 5 1/4" (11.4 cm x 13.3 cm) vision area.

WELDER'S ADAPTER AND FILTER PLATES	472859	Clip-On Welder's Adapter for Ultravue and Ultra Twin Facepieces; with cover lens, less filter plate
	806482	Clip-On Welder's Adapter for Ultra Elite Facepiece; with cover lens, less filter plate
	38347	Rayfoe Filter Plate, shade 10, heat-treated, 4-1/2 x 5-1/4
	38277	Rayfoe Filter Plate, shade 12, heat-treated, 4-1/2 x 5-1/4
	696095	Cover Lens
	486328	Welder's Hood, Kevlar
