

4-11/16" SQUARE COVERS

Applications

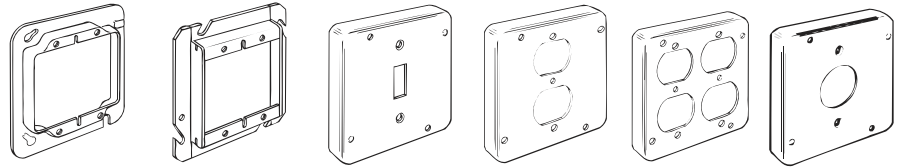

- Raised device covers are for mounting switches or receptacles
- Exposed work covers are used to support switches or receptacles independent of the box

Product Features

- RACO® 900 series covers meet NEC Article 410-56(f) for mounting the device by more than one screw
- RACO® 900 Series covers include additional hardware needed for mounting the device(s)
- Hardware and cover are packed in a poly-bag printed with catalog number, compliances and installation instructions
- Covers are available for mounting one or two devices

Compliances
