Portable Printers

## BMP®21 LABEL PRINTER

### MEET THE NEWEST MEMBER OF YOUR CREW

Add the BMP®21 portable label printer to your team and you'll never look back. This thermal transfer printer creates clear, legible labels with industrial-strength staying power to withstand even the harshest environments.

Simple to operate and quick to print, it's the must-have labeling tool for voice and data comm, electrical and general industrial crews. Create your labels just once, knowing they'll stay stuck and stay legible for years ahead.

#### Feature Include:

- Intuitive operation, large display and backlight
- Prints on PermaSleeve® heat shrink sleeves, continuous self-laminating material and more
- Advanced serialization, barcoding, symbols and terminal block and patch panel options
- Label cutter with label retention holds printed labels until you need them
- Rugged construction - withstands a 5 ft. drop
