UPC Code: 07847784536

Country Of Origin: China

9852-LED

Brand Features

LED Ceiling Lampholders offer the ideal lighting source for closets and other closed spaces. Available in keyless and pull chain models, they feature a 10 Watt LED bulb, making them an energy efficient, popular alternative to incandescent and CFL fixtures. The LED Ceiling Lampholders incorporate today's most desirable features and meet NFPA® 70, NEC® Section 410.16 C (1) requirements. They are easy to install with pigtail leads and knockout holes for multiple ceiling box configurations. Designed for indoor use only, these devices are a cost saving solution for lighting in closets, workrooms, basements, storage areas, utility rooms and attics.

Item Description

LED Ceiling Pull-Chain Lampholder with GU24 LED Lamp and Guard, 10W-120VAC, 60Hz, Energy Star Qualified - White
