

Deb® Lotion WASH

Product Information Sheet

Description: Light duty lotion hand cleanser for regular use to remove general industrial soiling.

Usage: Suitable for use in any industrial environment at the end of each work period or more frequently if required, to remove everyday industrial dirt and grime.

Method of Use: Apply 1 dose to dry hands. Rub in well and rinse thoroughly with clean running water. Wipe dry with disposable paper hand towels.

Feature	Benefit
EcoLogo™ certified	Certified by North America's largest, most respected environmental standard and certification mark.
Pleasantly fragranced	Appealing to both males and females with no lingering scent.
Contains glycerine	Helps prevent skin dryness by increasing the amount of water in the surface layers of the skin, leaving hands feeling soft and supple.
Mild blend of surfactants	Quickly creates a rich lather for fast and effective hand cleaning; ideal for regular, daily use.
Clear viscous blue gel	Aesthetically pleasing appearance and feel in use for both male and female washroom areas.
Fully water soluble and free rinsing	Will rinse easily from the skin to leave no soapy residues on the hands or in sinks.
Hygienic	The cartridges are ultrasonically sealed during the manufacturing process to protect the product. The unique patented pumps are designed to prevent air ingress into the cartridge during normal use and thus minimize the risk of external contamination.
No wastage	As no air passes back through the pumps the cartridges collapse during normal use to maximise evacuation of product.

Deb® Lotion WASH
