**Light Weight Couplings**

**Tested To ULC Standards**

**CNC Machined To Precise Tolerances**

**ISO 9001:2000 Certified**

**SF-1**  
**1 1/2" Instantaneous Hose Coupling**

- Fits all standard 1 1/2" lined and unlined hoses
- Couples to all 1 1/2" quarter-turn adapters
- Requires SF-8 expansion ring

**SF-3**  
**1 1/2" Male Adapter**

- Available in NPSH or NPT threads
- Couples to all 1 1/2" quarter-turn adapters

**SF-4**  
**1 1/2" Female Adapter**

- Available in NPSH or NPT threads
- Couples to all 1 1/2" quarter-turn adapters

**SF-8**  
**1 1/2" Brass Expansion Ring**

- Fully annealed brass sleeve
- Fits all standard 1 1/2" lined and unlined hoses
- For use with SF-1 coupling

**SF-2**  
**1" Instantaneous Hose Coupling**

- Fits all standard 1" lined and unlined hoses
- Couples to all 1 1/2" quarter-turn adapters
- Requires SF-9 expansion ring

**SF-5**  
**1" Male Adapter**

- Available in NPSH or NPT threads
- Couples to all 1 1/2" quarter-turn adapters

**SF-6**  
**1" Female Adapter**

- Available in NPSH threads
- Couples to all 1 1/2" quarter-turn adapters

**SF-9**  
**1" Brass Expansion Ring**

- Fully annealed brass sleeve
- Fits all standard 1" lined and unlined hoses
- For use with SF-2 coupling

**SF-13**  
**Coupling Plug/Cap**

- Used to cap any line
- Couples to all 1 1/2" quarter-turn adapters
- Hole for chain attachment

**SF-33**  
**3/4" Male Adapter**

- Available in NPSH threads
- Fits standard garden hoses
- Couples to all 1 1/2" quarter-turn adapters

**SF-34**  
**3/4" Female Adapter**

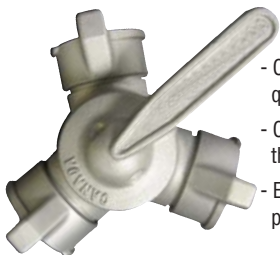

- Available in NPSH threads
- Fits standard garden hoses
- Couples to all 1 1/2" quarter-turn adapters

**SF-FBN**  
**Adjustable Spray Nozzle**

- Diamond knurl grip for easy adjustments
- Couples to all 1 1/2" quarter-turn adapters
- Four spray sizes (1/8", 3/16", 1/4" & 5/16")
- Heavy duty construction for commercial use

**SF-7**  
**Three-Way Valve**

- Couples to all 1 1/2" quarter-turn adapters
- Can have either two or three ways open
- Easily turns under pressure

**SF-14**  
**Ball Check Valve**

- Prevents water return when idle
- Couples to all 1 1/2" quarter-turn adapters

**SF-15**  
**Combination Hose Coupling/Hydrant Wrench**

- For use on pin or rocker lug quarter-lug quarter-couplings
- Will work with 1 1/2" - 2 1/2" coupling sizes
- 5 sided wrench for use on hydrants

**SF-16**  
**Standard Coupling Wrench**

- For use on pin or rocker lug quarter-lug quarter-couplings
- Will work with 1 1/2" - 2 1/2" coupling sizes
