

	PART No. AND DESCRIPTION	FEATURES AND BENEFITS	CASE QTYS	USAGE DETAILS	UPCs
	TUFPAL31E LED Area Light	<ul style="list-style-type: none"> Wide angled LEDs deliver broad area light Two mounting options: <ul style="list-style-type: none"> magnet mount solid surface mount Impact absorbing casing Push lens to activate Packed with 3 AA Energizer® MAX® batteries 	6	  	CONSUMER UPC: 0 39800 10248 5 CASE UPC: 3 00 39800 10248 6
	TUFHD31PE Rugged LED Headlight	<ul style="list-style-type: none"> 4 light modes: white (high/low), red for night, green for contrast Hands-free lighting with independent controls Light pivots up to 90° Flip-up lens diffuses spot to area light Rear-mount battery pack distributes weight evenly Non-slip strap, removable top strap Water-resistant Packed with 3 AA Energizer® MAX® batteries 	4	    	CONSUMER UPC: 0 39800 04023 7 CASE UPC: 3 00 39800 04023 8
	TUF2W21PE LED Swivel Light	<ul style="list-style-type: none"> 4 light modes: white (high/low), red for night vision, green for contrast Head rotates 125° Stands for hands-free use Rugged shatterproof lens Water-resistant Integrated belt clip Packed with 2 AA Energizer® MAX® batteries 	4	    	CONSUMER UPC: 0 39800 04019 0 CASE UPC: 0 00 39800 11673 4
	TUF4AAPE LED Project Light	<ul style="list-style-type: none"> Impact-resistant construction Rugged shatterproof lens Push button switch Water-resistant Packed with 4 AA Energizer® MAX® batteries 	6	    	CONSUMER UPC: 0 39800 02278 3 CASE UPC: 3 00 39800 02278 4
	TUF4CPE LED Spotlight	<ul style="list-style-type: none"> Intense focus beam with exceptional runtime Powerful LED technology Extended beam distance Rugged shatterproof lens Water-resistant Packed with 4 C Energizer® MAX® batteries 	4	    	CONSUMER UPC: 0 39800 02770 2 CASE UPC: 3 00 39800 02770 3
	TUFPL22PH LED Inspection Light	<ul style="list-style-type: none"> Slim, anti-roll design Non-conductive material Shatterproof lens Impact-resistant rubber head and tail with non-slip grip Push button switch Water-resistant Packed with 2 AAA Energizer® MAX® batteries 	6	  	CONSUMER UPC: 0 39800 04022 0 CASE UPC: 0 00 39800 04046 6
	TUF2AAPE LED Task Light	<ul style="list-style-type: none"> Bright white LED Rugged shatterproof lens Push button switch Water-resistant Packed with 2 AA Energizer® MAX® batteries 	6	    	CONSUMER UPC: 0 39800 01854 0 CASE UPC: 3 00 39800 01854 1
	TUFPL36PE Non-Conductive Pen Light	<ul style="list-style-type: none"> Bright white LED with polycarbonate shatterproof lens 360° light projection Focusing lens projects concise spot Tool quality composite material construction Momentary switch extends runtime Twist switch for consistent light Durable pocket clip 	6	  	CONSUMER UPC: 0 39800 90275 7 CASE UPC: 3 00 39800 90275 8
	TUF421PE LED 4AA Swivel Light	<ul style="list-style-type: none"> Impact-resistant ABS plastic frame with steel sides and shock-absorbing rubber overmold Rugged shatterproof lens Head rotates 125° Stands for hands-free use Push button switch Water-resistant Packed with 4 AA Energizer® MAX® batteries 	6	    	CONSUMER UPC: 0 39800 01852 6 CASE UPC: 3 00 39800 01852 7
