

# HARDLINESTRIP™

Hardwire | Linkable | Dimmable

A perfect choice for task lighting applications, the dimmable LED HARDLINE Strip Light can either be hardwired or plug-in. Easy to install, it is suitable for use in both residential and commercial environment such as under cabinets, shelves and displays.

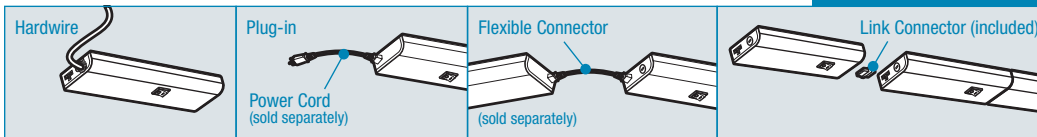

## LED Hardwire Strip

Complete with a link connector and with the availability of seven length options, the LED Strip Light is linkable to provide various installation configurations. A maximum run of 360W can be achieved.

It outputs a warm white (3000°K) colour temperature and offers 36,000 hours LED life. With a colour rendering index (CRI) of 90, it is an excellent choice for interiors where colour accuracy is required.
