

WALL PLATES, INSERTS & ENCLOSURES GUIDE

designed to be better.™

WALLPLATES & INSERTS

Our line of Keystone wall plates and Cat 5e, Cat6, Cat6a, F-Connectors, speaker binding posts and RCA inserts provide flexible setup options at any location.

DECORATOR STRAPS

We offer a series of pre-configured outlet straps for data, phone, video and home theater applications. Add a home theater strap to enable HD audio and video with a few simple connections, or quickly wire a home office using our pre-configured outlet straps that combine phone, data and video into a single decorator opening.

ENCLOSURES

Our durable enclosures range in size from 12 to 42 inches to suit any installation. Every enclosure is made in the USA and is compatible with all major module mounting schemes. They offer three 2.5" top openings for high capacity projects, side lances and side tabs for more flexible installation options. Available with hinged or screw-on doors, a Legrand enclosure is the easy choice for professional projects.
