

26260NVG*

HeadsUp Lite™ 2620NVG Flashlight

This flashlight has the same features of the HeadsUp Lite™ 2620 but is equipped with a special lens that alters the color spectrum and cuts the candlepower to preserve night vision.

2640*

HeadsUp Lite™ 2640 Headlight

The 2640 is a powerful Halogen/LED combo hands-free light for any task, big or small. Flip the switch up and you've got 3 LEDs: bright and efficient. Perfect for close-up work and tasks that require intense white light. For jobs that demand a powerful beam, flip the switch down for the halogen mode. Cut through thick smoke and dust. The body is tough ABS resin that's corrosion proof and resistant to extreme temperatures. The 90° pivoting head allows you to aim light right where you need it. The light weight battery pack houses 4 AA alkaline cells (included). The 2640 comes with a rubber strap for hard hat use and an adjustable cloth strap for bare head.

2670*

HeadsUp Lite™ 2670 LED Headlight

To blaze new trails for all those who need brilliant hands-free light, Pelican Products has unveiled the HeadsUp Lite™ 2670 LED as part of its Adventure Series Line.

The 2670 is a tough, weather-resistant, headlamp that weighs a mere 4.8 ounces. Powered by 3 AAA batteries, the super bright LED gives off 22 lumens of clean brilliant light for up to 11 hours while in constant mode. Also featured is a rear intermittent and constant safety beacon which can be seen for more than half a mile at dusk and flash more than 20 hours. Ideal for map reading, lighting a dark trail, or any other low light task. The 2670 offers a 90 degree pivoting lens so the user can focus the light where they need it the most.
