- No tools required
- Snap in with ease
- Snap out with ease
- Non-conductive, safer

Part# **KOK Series**

Fits **thin** (1/32")  
and **thick** (1/8")  
wall thickness.

Available in 1/2"  
through 2" trade  
designations.

*All thumbs? Good, because that's all you need to install our plastic KO Killers. Just pop'em in.  
No more tools, hammers, flying metal fillers, exploding buss bars, etc.  
Needing no tools is a big plus, especially when working space is tight.*
