Meets EPA, OSHA and HUD "filtering facepiece" requirements for lead abatement

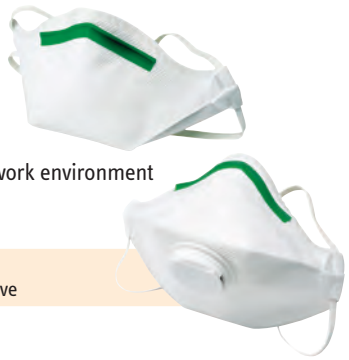
ONE-Fit™ NBW95 and NBW95V Molded Cup Particulate Respirators

N95 molded cup style disposable respirator. Strong and rigid outer shell prevents mask from collapse in high humidity or moist environments

- 95% filtration efficiency against solid particulates and non-petroleum based liquid aerosols
- Contoured mask fits with the natural shape of the face minimizing pressure points
- Molded nose bridge, comfortably fits a variety of face shapes and sizes
- Dual welded head straps keep the respirator comfortably on the user's face
- NBW95V with exhalation valve expels warm air

ITEM #	STYLE #	SIZE	DESCRIPTION
★14110444	NBW95	1 Size	Molded Cup, N95 Non-Valved
★14110445	NBW95V	1 Size	Molded Cup, N95 Valved

SAF-T-FIT® Flat Fold



Folds flat for easy storage and transportation in a pocket

- Multiple size options for wide range of fit
- Spring-open design for quick donning
- Nose clip is color-coded for visible size recognition
- Individually packaged to maintain integrity of product in work environment
- Latex free

ITEM #	DESCRIPTION
★14110321	N9510FM Flat Fold, Medium
★14110324	N9510FM Flat Fold, Medium with Exhalation Valve

SAF-T-Fit® Plus P100

Disposable respirator with full face sealing flange and P100 protection

- Nose clip is color-coded for visible size recognition
- Molded cup design
- Low breathing resistance
- Incorporates humidity-resistant filter media
- Durable suspension straps
- Latex free

ITEM #	DESCRIPTION
★14110440	P1130 P100 Full Face Seal, Adjustable Straps, Exhalation Valve

Survivair VALUAIR® Plus

Economic choice for limited use, limited life applications

- Thermoplastic elastomer facepiece
- Soft-sealing flange and forward angled nosepiece easily accommodate eyewear
- Perspiration port reduces facepiece slippage and skin irritation
- Facepiece replacement parts are available
- Compatible with S-Series

ITEM #	SIZE	DESCRIPTION
★302500	Medium	Survivair VALUAIR Plus S-Series, Basic Facepiece Assembly

★Popularly selected for use in Construction; additional styles/sizes are available

Survivair PREMIER®

Maximum comfort with multiple headgear adjustments, low breathing resistance, and low profile nosepiece for eyewear compatibility

- Large inhalation port offers low breathing resistance
- Perspiration port reduces facepiece slippage and skin irritation
- Headstraps adjust at the crown for a more customizable fit
- Rear split strap for better support with retainer clips to hold excess straps in place
- Compatible with S-Series

ITEM #	SIZE	DESCRIPTION
★312500	Medium	Survivair PREMIER S-Series, Basic Assembly w/Elastic Headstraps
★312584		Premier Clamshell OV/N95 package in S-Series

Survivair PREMIER® Plus

Triple flange design and silicone facepiece provides superior fit, comfort and protection while fitting a large variety of facial types

- Triple flange design provides added sealing security
- Silicone facepiece construction is lightweight and durable
- Strategic lateral placement of inhalation valves and cartridge ports enhances field of vision
- Yoke strap is contoured to match the skirt shape for even pressure point placement
- Cradle and straps are wider to assist in weight distribution for enhanced comfort
- Rear split strap for better support with retainer clips to hold excess straps in place
- Compatible with S-Series and cartridges

ITEM #	SIZE	DESCRIPTION
★322500	Medium/Large	Survivair PREMIER Plus S-Series, Basic Assembly

Sperian HandyPak Assemblies

HandyPaks combine superior quality respirators with the most commonly used chemical cartridges and filters providing you with a quick and easy respirator kit for immediate use

- No need to purchase separate boxes of cartridges, filters or retainers

ITEM #	DESCRIPTION
★351010	Survivair 3000 – Gray 1/2 Mask with OV/N95, Medium
★351019	Survivair 3000 – Gray 1/2 Mask with OV/AG/P100, Medium
★365084	HandyPak S3000 with P100

CONSTRUCTION SAFETY STATS

STAY PROTECTED

The National Center for Health Statistics Death Index shows that members of some construction trades, who have known exposures to hazardous substances including carcinogens such as asbestos and silica, have **much higher risks of death** from asbestosis (respiratory disease), mesothelioma (form of cancer), and lung cancers than the general population.[1]

Survivair Opti-Fit™ APR

Choose from a 5-point strap or mesh headnet for comfort under hard hats

- Silicone skirt offers exceptional durability and comfort
- All straps are attached to the rim of the facepiece, rather than the silicone skirt, to reduce pressure points and distortion of the sealing surface when tightened
- Replaceable, high impact resistant polycarbonate lens treated with anti-scratch coating
- Mask designed with a wide viewing area offering distortion free visibility and optical clarity
- Molded-in speaking diaphragm provides improved audio transmission for communication
- Available in 3 sizes for wide range of fit
- Compatible with S-Series filters and cartridges

ITEM #	DESCRIPTION
★762000	Medium Survivair Opti-Fit APR S-Series, 5-Strap Suspension
★762100	Medium Survivair Opti-Fit APR S-Series, Mesh Headnet

Mask-Mounted PAPR

Lightweight unit will not slow worker efficiency

- Low-cost high-efficiency (HE) filter that consolidates inventory and reduces inventory costs
- Battery pack is water resistant and contoured for wearer comfort, with an automatic resetting circuit protector requiring no fuses, which protects against battery short circuits
- Silicone facepiece offers high durability and unmatched comfort
- Long-lasting battery pack with trouble-free recharging
- Full facepiece easily convertible to negative pressure Air Purifying or Continuous Flow SAR
- Includes: facepiece, blower, battery charger, power cord, HE filter, belt and air flow tester

ITEM #	DESCRIPTION
★520600	Med. Survivair Opti-Fit Mask Mounted PAPR, Facepiece w/5-Pt. Headstrap, Battery and Blower
★108000	Survivair PAPR Filter, High Efficiency (HE) (Box of 4 Filters)
★108044	Survivair PAPR Filter, High Efficiency (HE) (Bulk Pack – Case of 84 Filters)

P100 Filters

- 99.97% efficient against all particulate aerosols

ITEM #	DESCRIPTION
★119010	S Series (Screw-on) 20/case Slimline
★105005	S Series (Screw-on) 10/box Micro

★Popularly selected for use in Construction; additional styles/sizes are available
