### Application:

These blocks are used in our standard splitters. They can be used for tapping branch circuits off feeders. All blocks are rated 600 V.

#### **Construction:**

- Cu-Al monopiece connectors secured to noryl insulators
- Some connectors used in the standard splitter boxes are secured to an aluminum plate (Cu-AI)
- Each block includes a main lug and branch lugs

#### On special Order:

- Copper connectors (Cu)
- Copper bars (Cu)

#### Standards:

CSA certified 150359
