Pipe Size

G19DS-100	1"	\$ 4.50	\$ 4.10	10
-----------	----	---------	---------	----

FOUR-LUG UNIVERSAL FITTINGS

Four lug universals are still occasionally found in pulp mill wash-down and other mill applications. As with standard universals, they should be used with safety clips. Not recommended for steam or compressed air service.

Part Number	Hose Size	Material	PRICE Loose	EACH Std Pkg	Pkg Qty
-------------	-----------	----------	-------------	--------------	---------

G25... FOUR-LUG UNIVERSAL HOSE END

G25-125	1 1/4"	Plated iron	\$ 14.60	\$ 13.10	10
