

# LED Wall Pack

## LED Wall Pack 70W - Adjustable 7700 Lumens 4000K

### PRODUCT DESCRIPTION

The EarthTronics adjustable wall pack can be locked in to any angle ranging from 0° to 90° providing exterior security illumination where required. The durable die cast aluminum housing is powder coated to maintain the fixture appearance for several years. This 70 watt wall pack operates at 110 lumens per watt efficiency and provides 7700 lumens. 4000K color of light and the high 80+ CRI provide bright illumination. Accepts 100 – 277 volt AC power supply. The long 50,000 hour is backed up with a 10 year limited warranty. The wall pack fixture requires a properly anchored UL recognized junction box for proper installation.
