

Plug and connector families

Straight blade plugs & connectors for any application

Arrow Hart's extensive offering of straight blade plugs and connectors cover the full range of hospital, industrial and commercial specification grades for applications where quality and durability are critical

Hospital specification grade plugs & connectors

Built to meet and exceed UL Federal specification and hospital grade testing, Arrow Hart's hospital grade plugs and connectors assure reliable performance in the most demanding healthcare applications.

Industrial specification grade plugs, connectors, flanged inlets & outlets

With a variety of styles including safety grip, auto grip and quick grip, these devices are designed to install quickly and easily and provide reliable performance in tough industrial environments.

Commercial specification grade straight blade plugs & connectors

Designed for commercial applications, where ease-of-use, value and quality are critical.

Specification grade straight blade power devices

Heavy duty design and construction make Arrow Hart power devices ideal for any high amperage industrial or commercial power connectivity application.

Safety grip hospital grade plugs & connectors features & benefits

Safety grip hospital grade devices exceed federal spec. and hospital grade testing for use in demanding healthcare environments

Clear terminal cover allows for easy inspection of conductors and terminations

Retained quick drive assembly screws speed installation

Four position angled plug option is ideal for applications requiring power cord to lay close to walls and floors

Tapered, individual wire pockets guide stranded wire into contact area for ease of installation

Multiple-head drive screws provide versatility for ease of use
