

# Fire Alarm Circuit Breaker

Eaton is proud to announce the release of the Residential Products Division Fire Alarm Circuit Breaker family.

**Multiple Applications:**

- Provides clear permanent indication of fire alarm circuits in accordance to NFPA 72 requirement via “Red” handle.
- Available in Plug-on and Bolt-on configurations to meet your application.

**Eaton Exclusive Product:**

- The Fire Alarm Breaker family of products is available exclusively through your local Eaton Distributor.

**NFPA 72, 2010**

**Section 10.5.5.2.2**

“For fire alarm systems the circuit disconnecting means shall be identified as “FIRE ALARM CIRCUIT”

**Section 10.5.5.2.3**

“For fire alarm systems the circuit disconnecting means shall have a red marking.”

Powering Business Worldwide

The Fire Alarm Circuit Breaker now provides your installation with a clean and professional look, without the use of marker or red tape.
