

Portable Labelers

3M™ Portable Labeler PL100

The 3M™ Portable Labeler PL100, our most affordable industrial labeling tool, excels at a wide range of industrial-quality labeling tasks in light commercial and residential environments. Functional and easy to use, the 3M Portable Labeler PL100 uses the same industrial-strength labels as our high-end models, including heat shrink, providing long-lasting adhesion on virtually any surface.
