

## Right aviation snips | Metal Aviation Snips

Article: 48224520

- Thumb and forefinger slots for increased comfort and less fatigue. Allows user to push through sheet metal with ease with less risk of cutting oneself.
- Ergonomic and durable overmoulded grips add comfort and last longer.
- Aviation snips: For short, straight and shaped cuts. Ideal for narrow radius cuts and notch cuts.
- Offset snips: For long continuous straight or curved cuts. 45° offset keeps users hand away from the cutting material.
- Extra long aviation snips: for longer and straighter cuts in one go.
- Serrated cutting edges prevent slippage when cutting.
- Less hand fatigue when cutting thicker materials. Design with compound leverage action.

	Right aviation snips
Total length (mm)	260
Article Number	48224520
Max. cutting capacity aluminium (mm)	1.0
Max. cutting capacity steel (mm)	1.0
Pack quantity	1
Weight (g)	430
Cutting direction	Right (green)
Edge length (mm)	31
Max. cutting capacity stainless steel (mm)	0.6
