

IPEX CONDUIT/DUCT SPACERS

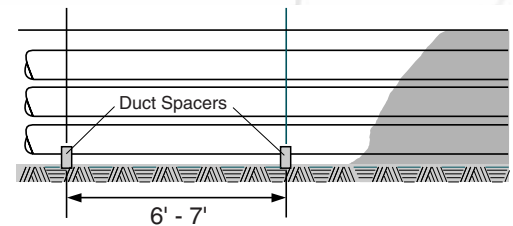

PRODUCT INFORMATION BULLETIN

CONDUIT/DUCT SPACERS

IPEX offers a wide range of conduit/duct spacers to suit all your underground needs. Our spacers offer consistent operation, stability and relieve direct stress for duct materials that have to be encased in concrete.

Recommended Distance: 6' - 7'

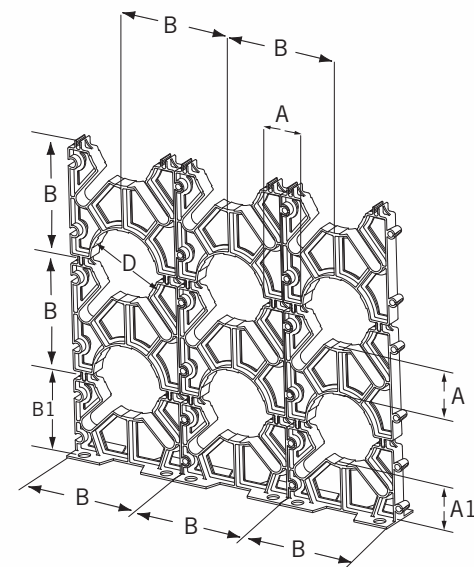

FEATURES:

- Integral holes offering base spacer fastening & stabilization
- Molded rebar slots allowing quick & efficient installation of full length rebar
