

KEEPKLEEN®

METAL HEAD 4 MIL METAL-DETECTABLE NITRILE DISPOSABLE GLOVES

AVAILABLE SIZES

FEATURES

- The only metal-detectable glove that is made of nitrile, engineered for food industry workers
- A metal detector calibrated to standard sensitivity can detect pieces as small as 2 cm or 0.78"
- Metal detectable to reduce costs associated with accidental contaminations and food waste
- Made from nitrile, a much stronger and durable material than vinyl
- Texturized fingertips for better wet and dry grip
- No natural rubber proteins that may cause allergies
- Gloves are ambidextrous for quick selection
- CFIA and FDA compliant, powder-free, dark blue color

APPLICATIONS

- Cut, trim and process meat, fish & poultry
- Preparation & packaging of processed foods
