150 THREE-WAY SPLITTER RNG-SP3

Becker' three-way splitters enable branching of Leaky Feeder cable in a Smart Com 150 or Smart Com 150IS (Intrinsically Safe) system. The RNG-SP3 and RIS-SP3 are fully functional VHF splitters for the frequencies 10-200 MHz. Each branch has jumpers to select:

TERMINATE: 75 Ω Termination.

NO DC: Blocks DC voltage to/from branch.

NORMAL: Passes RF and DC.
