

### **Extreme Metal Band Saw Blades**

Our new Extreme Metal Band Saw Blades deliver exactly what you need for daily job site use – More Cuts and Less Blade Changes. An aggressive variable pitched tooth design gives you the versatility to cut more metal thickness with one band saw blade. The portable band saw blade’s versatility pairs with 3X longer life in stainless steel. Each blade gives you more cuts resulting in fewer blade changes. The band saw blade also gives fast, clean cuts in common materials, delivering you the performance you are looking for in a single blade. These blades are available in Deep Cut (44-7/8"), Compact (35-3/8"), and Sub-Compact (27") sizes.
