

ALL PURPOSE TRACTION AIDS

- The Due North® All Purpose Traction Aids are ideal for those who walk, run or work outdoors and require more stability and increased traction. For an all purpose use in harsh winter conditions, the enhanced design and improved shape of these Traction Aids will give you the extra stability you need when working in subzero temperatures. The increased traction will help prevent slips and falls on ice and snow, which will help reduce the risk of back problems, fractured bones or pulled muscles. The compact design makes them easy to store in small places such as, your pocket, handbag or briefcase.

"Due North® All Purpose Winter Traction were invaluable during my walk around the world this winter. They were the 100% correct product for the thousands of miles I covered in treacherous icy and snowy conditions. Due North® All Purpose Winter Traction are the best winter traction product I have ever used!" - Rosie Swale-Pope - rosiearoundtheworld.co.uk

Warning: Due North traction aids help give you traction on ice, snow or similar porous surfaces. However, because NO product can completely prevent a slip or fall on slippery surfaces, remember to exercise care when walking or running in Due North traction aids. Caution should also be taken when moving on any hard or polished surface such as granite or marble, on ladders, or when driving a vehicle. Use care, as these traction aids are sharp and may injure or damage flooring, surfaces, or skin. Due North traction aids are not to be used for mountaineering and/or hiking, in rocky terrain, or when the user may encounter steep up or down slopes. Due North traction aids are not designed or intended to be used on high heel footwear. This product contains latex. Surefoot makes no warranties unless expressly stated.
