

M12 FUEL™ ProPEX® Expander Kit w/ 1/2"-1" RAPID SEAL™ ProPEX® Expander Heads

Our M12 FUEL™ ProPEX® Expander unlocks a breakthrough in productivity for plumbing installers, delivering the fastest 3/8"-1" expansions. Featuring an auto-rotating head, the expander provides you with uniform expansions for the most consistent installations. In combination with the ProPEX® Expander Heads with RAPID SEAL™, installers will experience up to 65% faster sealing of connections as temperatures decrease, reducing the time before pressure testing. An extended dual actuating trigger and a compact right-angle design provide you with easy access in tight locations. All-metal gears and an integrated metal frame deliver maximum durability on the job site. The POWERSTATE™ Brushless Motor offers the fastest expansions yet runs cooler with no wearable components. The REDLITHIUM™ 2.0 Compact Battery Pack provides up to 20% more power, 2X more recharges than standard lithium-ion batteries, and best-in-class performance in extreme jobsite conditions. REDLINK PLUS™ intelligence ensures optimized performance and protection from overload, overheating, and over-discharge. The onboard fuel gauge helps you monitor the charge more accurately, so there's less downtime on the job. The MILWAUKEE® expander is designed for UPONOR® ProPEX® connections to deliver fast potable water installations from expansion to seal.

INCLUDES:

- (1) M12 FUEL™ ProPEX® Expander w/ 1/2"-1" RAPID SEAL™ ProPEX® Expander Heads (2532-20)
- (1) 1/2" ProPEX® Expander Heads w/ RAPID SEAL™ (49-16-2414)
- (1) 3/4" ProPEX® Expander Heads w/ RAPID SEAL™ (49-16-2416)
- (1) 1" ProPEX® Expander Heads w/ RAPID SEAL™ (49-16-2418)
- (2) M12™ REDLITHIUM™ CP2.0 Battery (48-11-2420)
- (1) M12™ Lithium-ion Battery Charger (48-59-2401)
- (1) ProPEX Expander Cone Grease (49-08-2400)
- (1) Carrying Case

- ✓ Auto-rotating mechanism provides quick, uniform expansions
- ✓ ProPEX® Expander Heads with RAPID SEAL™ for up to 65% faster sealing at 45 degrees
- ✓ Compact, right angle design for one-handed use
- ✓ Battery fuel gauge displays remaining run-time
- ✓ Compatible with all M12 batteries and chargers
- ✓ Fastest 3/8"-1" expansions for up to 35% faster connections
- ✓ Extended dual actuating trigger for easy reach in confined spaces
- ✓ All-metal gears and integrated metal frame for maximum jobsite durability
- ✓ LED work light illuminates the workspace in dark locations
