### PU Powerseal Polyurethane Gun Foam

- Low Expansion
- Cold Weather Polyurethane Foam
- Closed Cell Formulation
- Water & Air Resistant
- -5

Powerseal gun foam is a urethane based aerosol moisture curing foam that expands in place to seal, insulate, deaden-sound and bond many common building materials, and fill unwanted cracks and crevices. ProLine Powerseal improves energy efficiency with an R Factor of 4-5 for each inch of foam-in-place. This product is designed for use with a gun applicator.
