SHOCKWAVE 75PC IMPACT DRILL & DRIVE SET

Our SHOCKWAVE™ 75 Piece Impact Drill & Drive Set feature bits engineered to be the Most Durable, Best Fitting driver bits on the market. Each impact drill and driver bit features Wear Guard Tip™ that delivers increased wear resistance which protects the fit over the life of the bit. The driver bits in this SHOCKWAVE™ bit set have optimized Shockzones™ for each tip type and length of the driver bit to absorb peak torque and prevent breaking. The impact driver bits are made from Custom Alloy76™ steel, heat treated based on tip type to extend the life of driver bits, providing you with up to 50X life vs. competitive impact driver bits. MILWAUKEE® SHOCKWAVE™ driver bits are built to deliver extreme durability for the most demanding jobsite applications.

- ✓ Wear Guard Tip™ protects fit over the life of the bit
- ✓ Up to 50X life vs other impact bits
- ✓ Precise Fit Custom Machined Tip prevents stripping and reduces wobble.
- ✓ Customized geometry and heat treatment per tip type for best performance across tip types
- ✓ Design for use with impact drivers and drill drivers
- ✓ Custom Alloy76™ Steel is engineered to extend bit life
- ✓ Shockzones™ are optimized in both length and width per tip type for best performance across tip types.
- ✓ Laser hardening at the tip creates an outer protective shield for improved wear resistance.
- ✓ Laser etched size for easy identification
