## easy Programmable Relays

### EASY209-SE

#### Dimensions:

- **Height:** 4.33 IN
- **Length:** 2.28 IN
- **Width:** 1.4 IN

**Notes:** Compatible with easy500 Intelligent relays

#### Warranties:

- 1 year

#### Specifications:

- **Special Features:** 1W heat dissipation
- **Type:** Ethernet Gateway
- **Quantity:** 1
- **Voltage Rating:** 24 Vdc
- **Connection:** 0.2-4.0mm<sup>2</sup> (solid), 0.2-2.5mm<sup>2</sup> (flexible), 22-12 AWG
- **Mounting:** Top-hat rail to DIN 50022
- **Operating Temperature:** -25° to 55°C

#### Supporting documents:

- [Eatons Volume 7-Logic Control, Operator Interface and Connectivity Solutions](#)
- [Eaton Specification Sheet - EASY209-SE](#)

#### Certifications:

- CSA Certified
- EN 50178
- IEC 60947
- UL Listed

**Product compliance:** No Data
