

Energy Savings at affordable prices

Philips new LED BR30 lamps are a great, energy-saving alternative to traditional incandescent lamps. Beautiful lighting effect provides warm, even light with flicker-free operation. A perfect replacement for incandescent BR30s.

- Long life lowers maintenance costs by reducing re-lamp frequency
- Will not fade colors and avoids inventory spoilage as a result of fading
- Flicker free operation across the dimming range
- · Contains no mercury

- Smooth dimming¹ to 10% of full light levels
- >10,000 hour life²
- 1-year limited warranty³
- Diffused light with wide light distribution

^{1.} Compatibility subject to change as additional dimmers are tested. If you do not see your dimmer on the compatibility list please contact your local Philips Lighting

^{2.} Tested to B50 L70 requirement.

See www.philips.com/warranties for details.
LED lifetime means the length of time (in hours) until half of the LED light sources maintain at least 70% of their initial lumen output (B50, L70).

^{5.} Photometric testing consistent with IES LM-79.

^{6.} Please refer to www.philips.com for the latest dimmer compatibility guide.
