BORESCOPE FOR ANDROID® DEVICES

Klein Tools ET16 is a USB Type-C BoreScope with a 9 mm camera surrounded by 6 LED's attached to a 10 ft. (3.0 m) armored gooseneck. ET16 has a USB Type C (and micro-USB) connection to Android® devices versions 4.0 with OTG (on-the-go) function or higher and PCs with Windows® XP. The camera output is displayed using the Klein Tools BoreScope App, available free at Kleintools.com. The ET16 does not require batteries; it is powered by device connection.

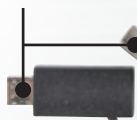

IP67 waterproof 9 mm camera, with on-board adjustable illumination, for high-quality 640 x 480 pixel images

Tough, armored 10 ft. (3.05 m) long gooseneck cable with waterproof camera maneuvers around obstacles while maintaining rigidity

Direct USB Type-C connection with adapter for micro-USB

Camera LED Brightness Control
