

## THIN PROFILE, MAGNETIC TRIMS AND COLOR SELECTABILITY FROM BELOW THE CEILING

The SlimLED you know and love is now available with a 5-position CCT selectable switch. Adjustable from below the ceiling, simply remove the faceplate, select your color temperature, then magnetically snap on one of the trim options. The new SlimLED PLUS is an entry-level, budget friendly LED fixture with a thin profile that fits perfectly in low plenum applications and is ideal for residential, and light commercial spaces.

Selectable color temperature is accessible behind the magnetic trim on the face of the fixture.

## SLIMLED<sup>+</sup> PLUS

SlimLED PLUS provides efficient output with a thin profile for lower above ceiling applications and the ability to select the color temperature from below the ceiling on site.
