

## Compact 20A Transformer rated meter socket

TSU5C-H1C  
(with cover)

TSU5C-H1C  
(without cover)

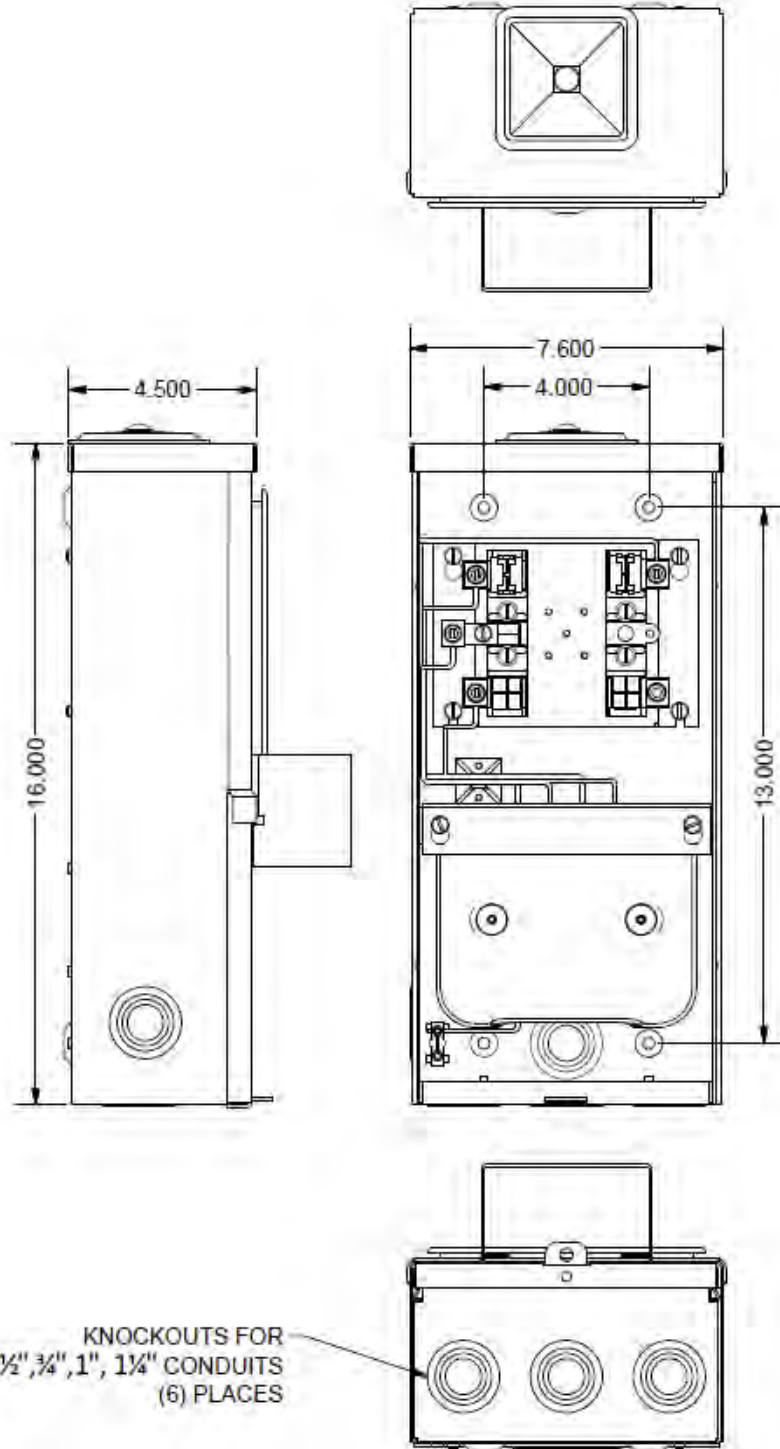

### Designed for Hydro One!

A new version of our single phase, three wire, 5 jaw meter socket, now comes complete with a compact enclosure. We have two styles available. One style is available with a wired test switch and the other is without a wired test switch. This meter socket is in a Type 3R rated enclosure and is suitable for overhead and underground application.
