

Motion Activated Solar Powered LED

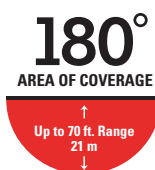

- Installs easily with no wiring needed
- Motion sensor turns light ON automatically at night when motion is detected
- Limitless supply of renewable energy
- Perfect for sheds, barns, decks & pathways
- Provides emergency power in case of storms or other power failures

180° Motion Sensor Twin Head Solar Powered LED Floodlight

- Motion sensor detects motion 180° up to 70 ft.
- 520 lumens equivalent to 50W incandescent
- 6 in. x 8 in. solar panel for maximum charging power with 16 ft. cord
- Adjustable time setting for 1 to 3 minutes
- Operates as a single or twin head
- Integral light sensor prevents light from turning ON during daylight hours
- Integral Li-ion rechargeable battery pack
