

Fuse Panel Retrofit Trims

QLPT16DW
(Door Open)

QLPT16DW
(Door Closed)

Now Comes Painted White!

Our fuse panel retrofit trims are now offered in an aesthetically pleasing white paint which offers a more professional look and feel to the installation. Each trim comes complete with a hinged door, non-locking spring latch, circuit directory card, clear plastic card holder, and mounting hardware. The trim is designed to be a custom size with mounting holes located to align with existing boxes which makes them suitable for most installations.
