

Odour Control

Our senses are always on the alert – and the first impression they get of any environment is often the most important. Visible cleanliness and a pleasant fresh smell go a long way to creating a positive impression of any restroom, changing room, or other facility.

Aquascent ★★★

Water Soluble Deodorizer

Aquascent's advanced technology utilizes premium natural fragrance oils, and unprecedented residual performance to give your "clean image" a refreshing boost. Ideal to eliminate chemical smells commonly found in cleaning solutions. It can be used both as an air freshener or additive in your cleaning solution.
